

MAKE NEW BUSINESS CONNECTIONS.

The old adage, “It’s not what you know, it’s who you know,” still holds true in our digital age. Even if your company does a great job interacting with customers through your website and social media channels, do you still long for face-to-face connections? Isn’t the best source of new customers a referral from someone who knows you and your reputation for delivering a quality product service on time at a reasonable price?

We offer membership that joins you with like-minded business and community leaders who share a commitment to business profitability, growing a dynamic economy, and making our region the country’s best place to work and live.

Membership Benefits:

- › **Develop relationships** with key decision-makers and stakeholders at more than 150 Chamber events each year, including our Annual Meeting, Networking 101, Coffee with Leaders, Business After Hours, and C-Suite Perspectives—open to all of your employees
- › **Take part in informative forums** on economic development and public policy issues give you an inside track on trends that affect your business growth
- › **Grow your web presence** through our online directory with more than 3,000 views on average a year per member
- › **Post deals for other Chamber members** with our Coupons and Member News website feature
- › **Improve the Google search results** for your directory listing on raleighchamber.org by including your logo and a description of your business, as well as your social media and YouTube video links
