

# MAKE YOUR VOICE HEARD IN OUR COMMUNITY.

From our region's economic development, priming our talent pipeline, and having a voice in public policy, we offer you the opportunity to provide input that shapes the future of our area.

## We Believe In:

- › Maintaining a vibrant business community and strong economy
- › Civility and partnership in business and government leadership
- › Continued, long-term investment in our community to match the pace of economic growth

## Connect One-on-one with Elected and Appointed Officials:

### Community Success Forum:

- › Learn about issues affecting our quality of life, such as mobility and housing affordability

### Partners Dinner:

- › Hear from newly elected officials and network with our region's elected representatives at the local, state, and federal levels

### Inter-City Visit & Leadership Conference:

- › Benchmark our region against a competing city

### The State of the City, County and Schools:

- › Review the priorities of the mayor of Raleigh, chair of the Wake County Board of Commissioners, and chair of the Wake County Board of Education

### First Responders Appreciation Breakfast:

- › Join us as we recognize our local heroes

### Healthcare Forum:

- › Discuss issues that impact cost and delivery of healthcare

## Priorities:

- › Economic development and job creation — expand targeted incentives and site development readiness, support policies that expand trade and investment, and increase inclusive prosperity.
- › Education and talent supply — support strategies that align universities, community colleges, and schools with future workforce needs.
- › Innovation and entrepreneurship — advocate for policies that ensure that NC leads in emerging industry clusters, and develop reliable capital funding sources for entrepreneurs.
- › Quality of life and workplace issues — strengthen diversity, equity, and inclusion in the workforce, workplace, and marketplace. Promote quality of life policies including affordability, housing, sustainable communities, living wages, open space, and entertainment.
- › Transportation and infrastructure — support policies and practices that reduce congestion and enhance mobility, and sustainable funding for the RDU Master Plan. Address critical infrastructure needs.
- › Wellness and healthcare — achieve goals identified in local Community Health Needs Assessments/Live Well Wake initiative.
